

How is my garden club part of National Garden Clubs?

The dues paid by your garden club to the National Capital Area Garden Clubs, Inc. (NCAGC) include dues to National Garden Clubs, Inc., a non-profit educational organization headquartered in St. Louis, Missouri. Every member of your club is a member of NCAGC and National Garden Clubs, Inc. In order for the state and national organizations to be helpful to an individual club, each organization is also divided into geographical districts.
